## Software requirements

### Macintosh: DF38AH71

Microsoft Works 2.0  
Excel 3.0  
MicroTools 1.0  
Word 4.0  
ClarisWorks 1.0

### IBM: DF38AH88

Microsoft Works 2.0 or higher  
WordPerfect 5.0 or higher  
Lotus 2.0 or higher  
dBase III+ or higher  
Excel 3.0 or higher  
MicroTools 3.0  
Microsoft Word 5.0 or higher

### IBM: DF38A8H883

PerfectOffice 3.0 & Paradox 5.0

### IBM: DF38A8H884

Lotus Smart Suite, Versions 3.0 or 4.0

## Most Frequently Asked Questions

The list of questions below are the most frequently asked questions for *VideoStop*. If your question is not listed, please contact Technical Support.

1. **I would like to use this simulation but I have Microsoft Works 3.0 for Windows. What template can I use?**
2. **How many activities are there in this simulation?**
3. **Are there software specific instructions in the simulation?**
4. **What is the completion time for this simulation?**

## FAQs

1. **I would like to use this simulation but I have Microsoft Works 3.0 for Windows. What template can I use?**  
You must purchase one of the templates listed above. Then call or email Technical Support for the Microsoft Works 3.0 for Windows patch disk.

2. **How many activities are there in this simulation?**  
There are 115 activities involving documents, letters, financial reports, payroll records, customer and product databases, letterheads, ads, and newsletters.
3. **Are there software specific instructions in the simulation?**  
The text is written generically so that many commercial software packages can be used with it. See the software requirements list at the top of this document.
4. **What is the completion time for this simulation?**  
This simulation can be adapted to be a four, six, or eight week course.
